

Thank you for choosing Airwork Las Vegas for your Introductory Flight Lesson. Our dedicated staff will ensure that your flight training is professional, informative, and expeditious. Before your flight, you will spend time with your instructor learning about the aircraft and flight controls. After your flight, you can learn what it takes to become a pilot. This packet contains information to ensure you have a safe and enjoyable lesson. Please study the recommended material before you arrive so you will be able to understand and comprehend more from your flight lesson.

**Driving Directions (See maps on last page)**
